Fill out all of these pages to become an **Official Wyck Explorer!** When you are done, ring the doorbell (during open hours) and receive your stamp!

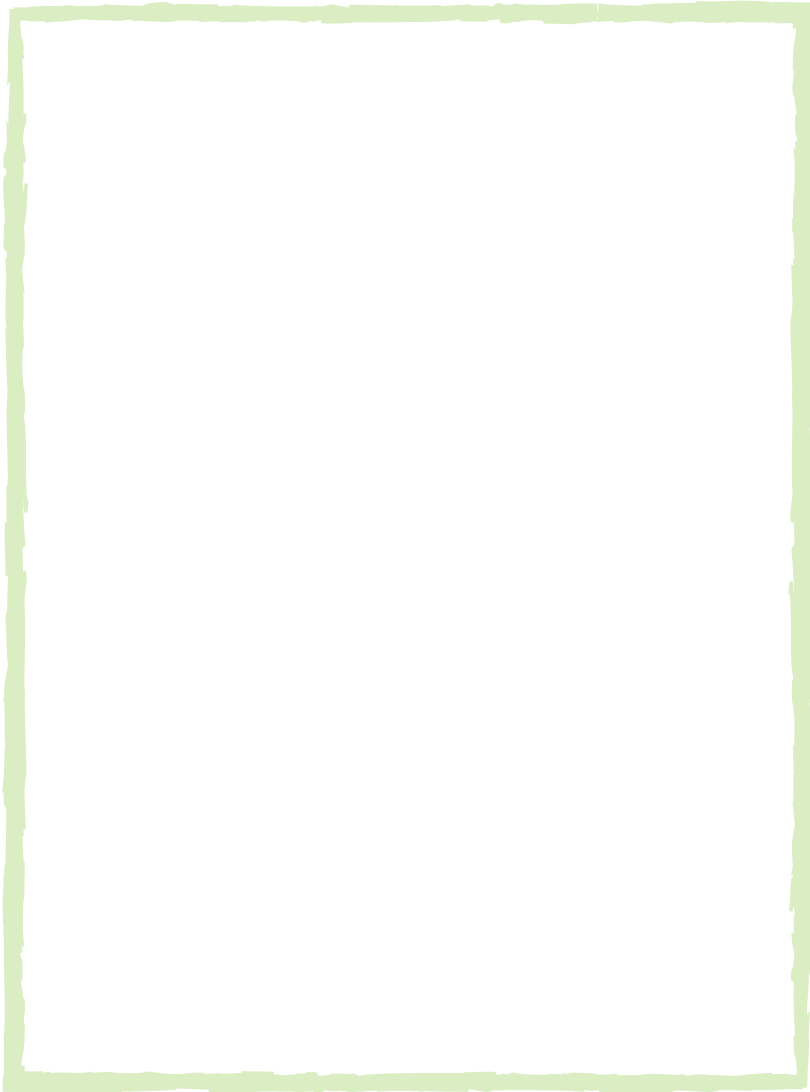

Go start exploring!

What else can you find?
Document your other sightings here!

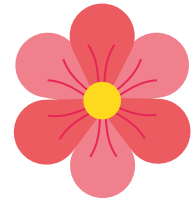

Draw the most unusual plant you can find!

Scavenger hunt. Find these things:

☐ A blooming flower

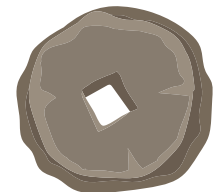

☐ 2 birds

☐ 3 bugs

☐ 5 Windows

☐ An old millstone

☐ Bonus: can you spot one of the Wyck cats?!

Smell a flower in bloom or
an herb in the home farm garden
and describe the scents here.

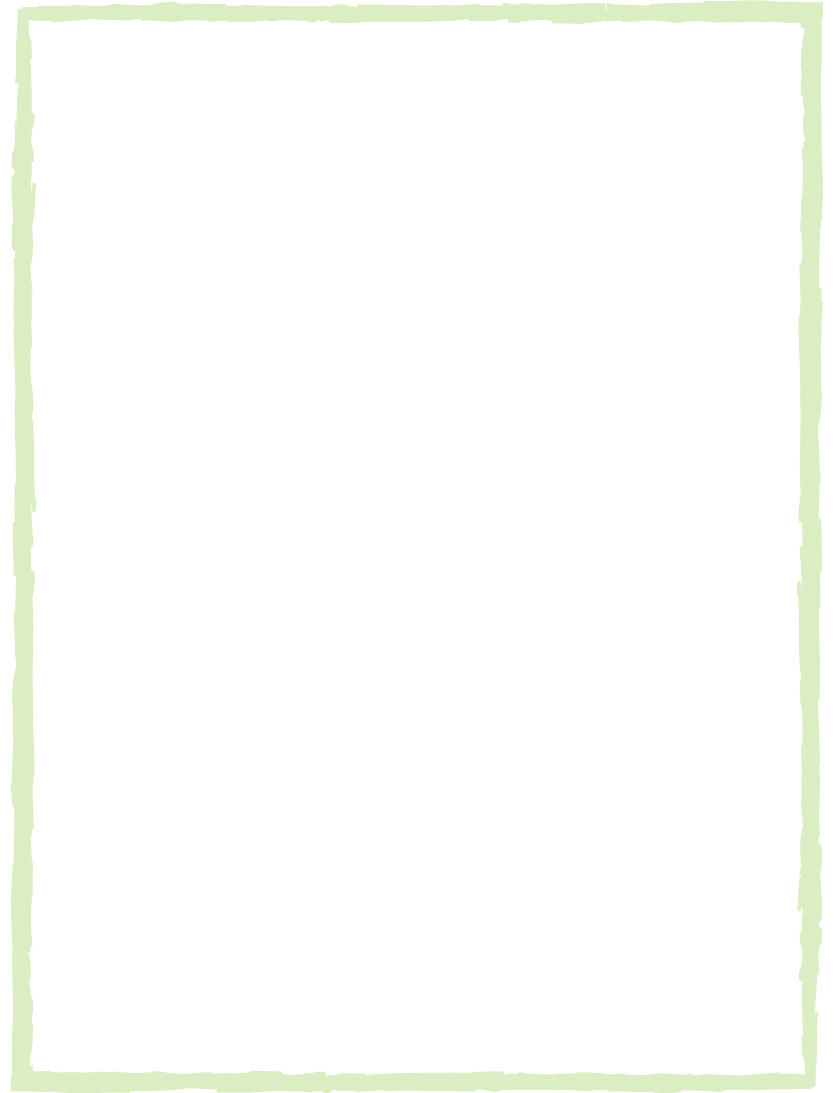

Draw it below.

Type of plant:

Smells like:

Reminds me of:

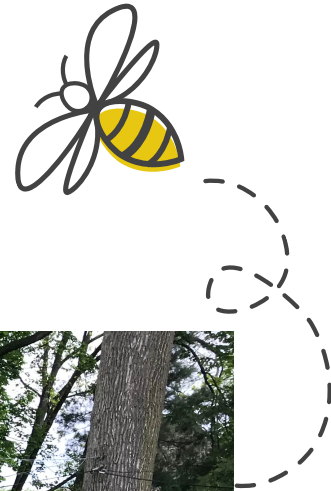

Explore the herb bed on the home farm,
which plant smells the best? Draw it here.

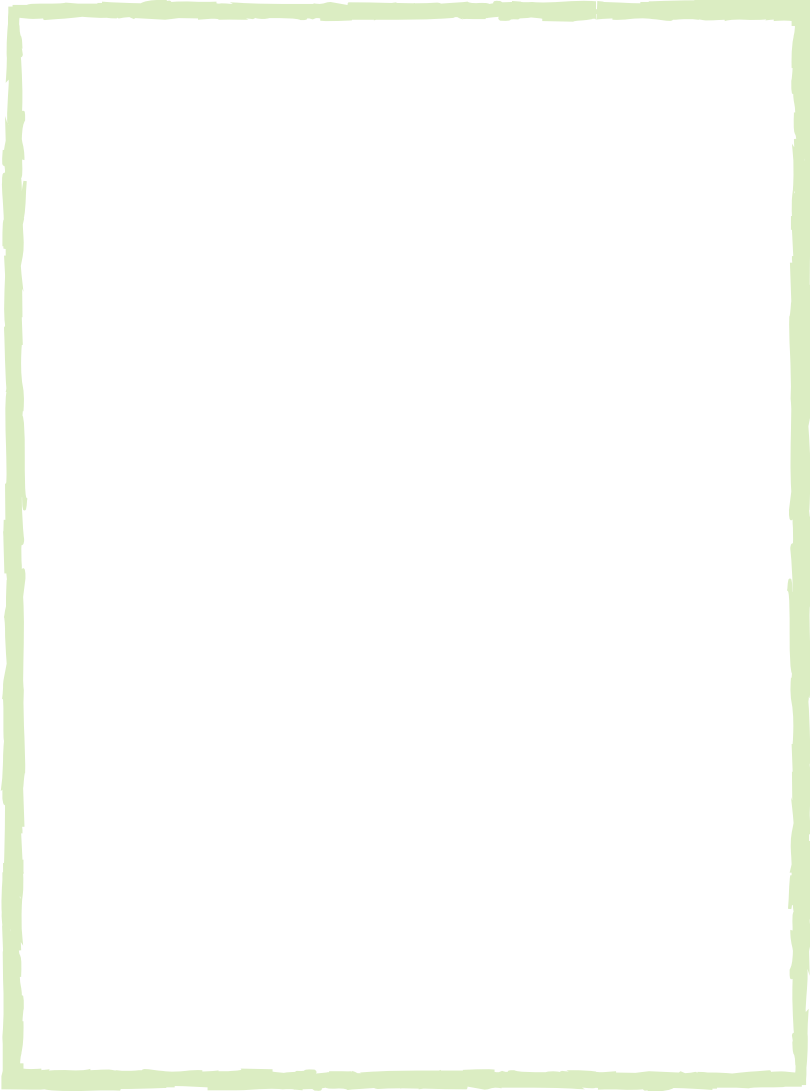

Visit the Wyck Rose Garden. Did you know that it is the oldest rose garden in the United States still growing in its original layout?

The garden is home to many rare types of roses, but they only bloom once a year.

By the Coach House is the Wyck Apiary, or bee houses.
If you were a bee where would you live?
Draw a bee house here.

Can you find the code on
the sign near the summer house?

Code Word: _____
